First sight words: I, see, the, a, my, go

FOR YOU How to use this in 5 minutes

1 Say the word. **SAY:** "This word is the. We see it so often that we learn it by heart. Now say it with me."

2 Trace and find. **SAY:** "Trace it. Now find every 'the' in this row and circle it." Then see and my.

3 Read to me. **SAY:** "Point under each word as you read. Then draw a line to its picture."

Tip. Write each word on an index card. A quick read goes in the done pile, and a slow one stays out to practice tomorrow.
